## About Us

SEAMERGE EXPORTS, is one of the largest nonwoven exporter, which affords an array of products and services of nonwoven fabrics all over the world. It is the leading exporter of spun bond nonwoven polypropylene fabric, providing a great deal of nonwoven fabrics and products that are conceptualized and manufactured in the business model to put on the market. SEAMERGE EXPORTS as a exporter of PP Spun Bond nonwoven fabric emerges with the commitment to offer an eco-friendly socioenvironmental and industrial solutions to our customers. we specialize in the export of versatile nonwoven materials that cater to a wide range of applications, from hygiene products to industrial uses. Our expertise, combined with a customer-first approach, ensures that consistently meet global standards and exceed expectations.

At Seamerge Exports, we believe in building lasting partnerships based on trust, quality, and mutual success.

## PP Spun Bond Non-Woven Fabric

An ample assortment of optimum quality polypropylene nonwoven fabric is provided by us in various sizes and dimensions. We have carved a niche as one of the most prominent polypropylene nonwoven fabric manufacturers in India. We use excellent quality raw materials and latest techniques to manufacture polypropylene non woven fabric.

## Description

Basic Weight	25 to 250 GSM
Standard Width	1.6 mtr. (Provide 5 inch to 63 inch)
Color	Wide range (According to request of client)

## Properties

- Excellent Softness
- Air permeability & water repellence
- Harmlessness & anti bacteria
- UV Protected
- Good strength & elongation
- Good processing ability & heat-stability

## Product Characteristics

High mightiness, small difference of freely direction mightiness, enduring acid & alkali, non poison, non harm to body, physiology, having good air permeability, dyeing with raw liquid, never fading.

## Applications

Medical & Hygiene  
Disposable medical products  
Diapers  
Personal healthcare products  
Mattress  
Automobile

Furniture  
Package & Interlining  
Shopping bags  
Store bags  
Household appliances & interlining

Agricultural Covers  
Crop cover  
Insect cover  
Frost cover  
Harvest cover

## Product Uses

- Industry** : Road bed cloth, Shield cloth, Waterproof & rolling material cloth, Vester in car & Filter material.
- Shoe Industry** : Shoe leather under layer, Shoe bags, Shoe cover
- Home Uses** : Table cloth, Sofa & mattress cloth
- Medical** : Exposure suits, Operation Suits, Respirator, Cap, Over sleeves, Diapers
- Bags** : Shopping bags, Gift bag, Box under layer, Child sleeping bags, File bag
- Bedding** : Adjusting in Bed sheet, Bedspread, Quilt cover, Pillow slips, Slide proof mat, Cushion, Mattress etc.

## Advantages
